

NOTICE

THE LEIGHTON TOWNSHIP PLANNING COMMISSION

**Will hold a public hearing on
Wednesday, February 14, 2018
7:00 PM**

**AT LEIGHTON TOWNSHIP OFFICE
4451 12TH ST., Suite A, Wayland, MI 49348**

To receive comment regarding two text amendments to the Leighton Township Zoning Ordinance. A summary of the regulatory effect of the amendments is as follows:

1. One proposed text amendment would permit larger accessory buildings in all zoning districts, subject to certain conditions and limitations.
2. The second proposed text amendment would limit the height of fences on the lake side of water front lots to 42" and would disallow fences that completely obstruct views of the water from neighboring properties. Further, this amendment would also require a zoning compliance permit for fences in the LR district.

Copies of the proposed zoning amendment, the Zoning Ordinance and maps are available for viewing during normal business hours at the Leighton Township Hall.

Written comments or questions regarding these requests, may be directed to the Chairman of the Planning Commission prior to the time of the hearing at the following address:
